

2016 Membership Renewal Information

Dear Community Partner,

The Chamber Board of Directors would like to thank you for your membership and support of our community businesses through the Chamber. This past year has been a “big” one for change in the leadership of our organization. However great strides have been made, from updating the bylaws to planning for a new visitor center, and exciting things are already in the works for 2016 with our newest event coming in June, The Willamette SXS Festival!

In October the revitalization of Chamber Socials started again with the “Banner at the Bistro” and we plan to continue at a new business each quarter. January’s social will be a bingo night sponsored by A&W and All Points Real Estate. These are opportunities to socialize with other business owners in our area and share your successes with one another.

As you know, the Chamber is supported primarily by the financial investment of its members. Any business or individual wishing to play a role in our community’s growth and future development is eligible for membership. Chamber membership is an investment in the Oakridge/Westfir area.

At the beginning of 2015 the Chamber Board decided that membership dues would now run January to January for all members to make bookkeeping easier to track. We still plan to create a tiered membership level sometime this year but for now we are extending the discount for all business members at 100.00 or individuals and nonprofits at 25.00

Thank you for your support!
